

CaseWorX Release Notes

Version: 3.5.0.75

New Functionality:

- New Fields: *(Contact support if you would like these added to your site)*
 - o Participant Information
 - Probation (Dropdown: New, Violation, Not on Supervision)
 - Parole (Dropdown: New, Violation, Not on Supervision)
 - o Current Charges
 - Felony Probation Violation (Yes/No)

- Evaluation Status
 - o All participants in the Evaluation Phase will now have a status of Pending, instead of a status of Active, thus improving the courts' ability to separate those participants who are currently active in the program from those who are under consideration for entry into the program.

Fixes:

- Fix for Financial Registry > Account Balances where records were being displayed after being deleted.

- Fix for Ad Hoc Calendar visual bug
