

MISSISSIPPI ELECTRONIC COURTS

PAMEC (NON-ATTORNEY) TERMS AND CONDITIONS

Please review the following information to continue with the registration of a new user. Public users register as PAMEC (Public Access to Mississippi Electronic Courts) users. The term "Helpdesk" refers to the helpdesk to be used by PAMEC users.

1. This system is for use only in cases in those courts which have adopted and implemented the MEC by local rule. MEC users may file and view electronic documents, docket sheets, and notices. PAMEC users may view electronic documents, docket sheets, and notices.
2. I understand that I must provide accurate and complete information in registering for this account. I understand I must promptly inform the Helpdesk of any changes to that information by updating my account at the MEC website.
3. I understand the account being registered is for my use only, unless specifically designated otherwise on the registration form. I am responsible for preventing unauthorized use of the account. If I believe there has been unauthorized use, I must notify the Helpdesk immediately by email.
4. I understand that:
 - There is a charge for accessing information through PAMEC. PAMEC provide electronic access to case information in various Mississippi state courts. By registering for a PAMEC account, I assume responsibility for all fees incurred through the usage of this account.
 - Certain accounts may be designated, under AOC policy or state law, as exempt from fees. If my account is exempt from any fees, it is my responsibility to notify the Helpdesk of such exemption by emailing helpdesk@mec.ms.gov. It is my responsibility to use the account only within the scope of the fee exemption.
 - I must alert the Helpdesk to any errors in billing within 30 days of the date of the bill. After 30 days, it will be assumed the invoice is correct.
 - The \$.20 per-page charge applies to the number of pages that result from any search, regardless of the number of pages viewed, printed, or downloaded. Searches that result in no matches incur a charge for one page of data.
 - The annual renewal fee is based on the anniversary date of my account.
 - Usage is billed on a monthly basis. Invoices which contain a summary of the charges the account has incurred are sent on the last day of each month. Account balances must be paid by the 15th of the month following the date of the invoice or access to the account will be suspended.
 - Annual renewal notices will be sent fifteen (15) days prior to the user's anniversary date. Electronic statements will be emailed to the email address submitted with this registration request or subsequently updated as set forth above. Users must remit payment through the mail or on-line.
 - Invoices that are not paid on time are subject to debt collection measures. These measures include, but are not limited to, referral to a private collection agency. Accounts that are referred to a private collection agency will be assessed substantial collection fees in addition to the outstanding debt owed.

Effective 8.16.2017

8. The Mississippi Electronic Courts reserve(s) the right to:
 - Suspend service to any account in which the amount due is not paid by the due date.
 - Demand immediate payment, outside of the regularly scheduled billing cycles, of an account at any time that the Helpdesk determines the action is necessary.
 - Notify and seek payment from the firm listed on my account registration if my account balance is not paid by the due date.
 - Reject an account registration request that the Helpdesk determines to be related to a suspended PAMEC account.
 - Suspend service to an account if any part of the information provided to PAMEC as part of this account registration process is fraudulent. Information about the account and any accounts determined to be related to it may be turned over to law enforcement authorities.
 - Suspend or reduce service to, or otherwise restrict access to PAMEC, by any account that causes an unacceptable level of congestion or a disruption to the operations of MEC or PAMEC, a Mississippi court or another MEC or PAMEC customer.
 - Suspend service to an account at any time that AOC, MEC or a court determines the action is necessary to prevent fraud or to maintain the security of its computer systems and networks.
 - Require prepayment as a condition to the resumption of service for any account
 - that has had service suspended or restricted for any reason,
 - with multiple instances of late payments, or
 - wherein a demand for immediate payment of fees incurred has been made.
9. MEC is supported by user fees. Any attempt to collect data from MEC in a manner which avoids billing is strictly prohibited and may result in criminal prosecution or civil action. Privileges will be terminated if, in the judgment of judiciary personnel, they are being misused. Misuse includes, but is not limited to, using an automated process to repeatedly access those portions of the application that do not assess a fee (i.e. calendar events report or case header information) for purposes of collecting case information.
10. An account determined to be related to an account that has been subject to an action outlined above may also be subject to the same action. Accounts may be determined to be related based on information obtained by the Helpdesk during registration or other contact with the Helpdesk.
11. If these Terms and Conditions change in a significant way, information regarding the changes will be posted on the MEC web site (mec.ms.gov). It is the account holder's responsibility to check these Terms and Conditions regularly for changes. Continued use of the system following the posting of changes will mean that the account holder accepts and agrees to the changes.
