# MEC Release Notes

---

*Build 3.25.15*

Version 3.0

## **Cosmetic Changes**

---

- **Purpose:** To include Civil Case Docket, Civil Cases Report, Deadline/Hearings Report and Docket Activity Report

## **Enhancements**

---

- **Batch Case Filing (BCF)**
  - **Purpose:** To allow docketing of a single document in multiple cases in a single transaction.
    - BCF events list:
      - Batch- Motions
        - **User:** docket clerk
      - Batch- Notices
        - **Users:** chambers, docket clerk and judge
      - Batch -Orders on Motions
        - **Users:** chambers, docket clerk and judge
      - Batch -Other Documents
        - **Users:** chambers, docket clerk and judge
      - Batch- Other Orders/Judgments
        - **Users:** chambers, docket clerk and judge
      - Batch -Utility Events
        - **Users:** chambers, docket clerk and judge
- Please note the docketing of all BCF events will function as usual after the specified batch of case numbers is entered.
